

Data Analyst (f/m/d)

BENOCS GmbH

Berlin, Germany

Are you a passionate, experienced Data Analyst that wants to contribute to the evolution of the Internet?

We are a small team with big ambitions to improve Internet performance by improving how traffic behaves on Internet Provider Networks. If you are a creative problem-solver who wants to work with a world-class team, and enjoys learning new skills regularly, then we are interested in you!

Your TASKS:

- You will be responsible for prototyping, developing and maintaining scalable data pipelines
- You optimize and integrate code to correlate and process multiple data streams in real-time
- You debug, adapt and abstract network setups of customers to build scalable and generic solutions
- You improve current testing processes and create new testing automation practices
- You automate data loading procedures

Our TECH STACK:

Languages: C++, Perl, Python, Bash

Operating System: Linux

Tools & Frameworks: BENOCS sync, ClickHouse (SQL-based DBMS), Docker, GitLab (+CI/CD), git

Monitoring, Reporting & Alerting: Graylog, Kibana, bonefire

Your QUALIFICATIONS:

- You have 3+ years of professional experience in implementing and running data-intensive distributed systems
- You are proficient with scripting and object-oriented programming languages
- You are comfortable with analyzing complex data from varying sources
- You are fluent with SQL-based DBMS
- You are familiar with GNU/Linux Dev-Ops tool chain

NICE-TO-HAVE:

- You have knowledge of carrier-grade network structures & routing protocols
- You have knowledge on Internet Control and Data plane measurement correlation

Our BENEFITS:

Learning Opportunities: Lifelong learning is essential for us. We offer the opportunity to develop not only software, but also yourself!

Flexible Working Hours: We know you have a life outside of work, which is why we allow you work whenever it suits you as long as you are available during our core working hours.

Home Office: Need a couple days a week at home? We have adopted a hybrid working model that only requires you to come to the office a couple of times a week.

Health Offers: Your health is important to us. We offer free health checks, regular preventive medical checkups, seasonal flu vaccines, free beverages and fruits.

Company Pension Scheme: Be well positioned for the future - we offer a company pension scheme and pay monthly contributions.

Virtual Stock Options: Be part of a success story and benefit from the company's growth.

JobRad: Join our bike leasing program to get a new bicycle at a reduced cost.

Shopping Discounts: Products and services at a discount from numerous providers and partners.

About BENOCS:

BENOCS - a groundbreaking B2B software-solution company that implements intelligent content traffic-steering and automated load balancing in very large IP networks to reduce network CapEx while improving quality. The rapid evolution of global internet content delivery towards more diverse and fluctuating network arrangements requires smart solutions that encompass this complexity and offer effective means of control. BENOCS offers the technologies to make this happen.

Your APPLICATION:

Please email your CV, a cover letter, and any relevant reports and/or work references you may have to **jobs@benocs.com**.

**We are committed to a diverse workforce and strongly welcome all applications regardless of gender, nationality, ethnic origin, religion, disability or age.*
