

## Product Manager / Product Owner (all genders)

BENOCS GmbH

Berlin, Germany

### Are you a revolutionary that wants to contribute to the evolution of the Internet?

We are a small team with big plans to improve Internet performance, more specifically the way traffic behaves on Internet Provider Networks. If you are a creative problem-solver who wants to work with a world-class team, and enjoys learning new skills regularly, then we are interested in you!

#### Your TASKS:

- You own the roadmap, feature prioritization, and delivery of BENOCS' Product
- You translate product strategy into detailed requirements and prototypes
- You gain a deep understanding of customer experience, identify and fill product gaps and generate new ideas that improve customer value and grow market share
- You always keep an eye on the product backlog, prioritize clearly according to the customer needs and business impact
- You collaborate closely with the development team and all relevant stakeholders to deliver with quick time-to-market and optimal resources

#### Your QUALIFICATIONS:

- You have 3+ years of professional experience in product management for B2B digital products/platforms
- You have a proven track record as a Product Owner (Scrum)
- You have expertise with Usability and UX
- You are familiar with SQL statements
- You have basic knowledge of GitLab, Docker, bash scripting and agile software development
- You have strong curiosity for technology (preferably with focus on Network, Internet Measurement)
- You are a team player who loves to collaborate and has the ability to focus on details without losing sight of the whole picture

#### NICE-TO-HAVE:

- You have knowledge of internet topology and mechanisms behind internet transport
- You have basic understanding of React and Django

#### Our BENEFITS:

**Learning Opportunities:** Lifelong learning is essential for us. We offer the opportunity to develop not only software, but also yourself!

**Flexible Working Hours:** We know you have a life outside of work, which is why we allow you work whenever it suits you as long as you are available during our core working hours.

**Home Office:** Need a couple days a week at home? We have adopted a hybrid working model that only requires you to come to the office from time to time.

**Health Offers:** Your health is important to us. We offer free health checks, regular preventive medical checkups, seasonal flu vaccines, free beverages and fruits.

**Company Pension Scheme:** Be well positioned for the future - we offer a company pension scheme and pay monthly contributions.

**Virtual Stock Options:** Be part of a success story and benefit from the company's growth.

**JobRad:** Join our bike leasing program to get a new bicycle at a reduced cost.

**Shopping Discounts:** Products and services at a discount from numerous providers and partners.

## About BENOCS:

BENOCS - a groundbreaking B2B software-solution company that implements intelligent content traffic-steering and automated load balancing in very large IP networks to reduce network CapEx while improving quality. The rapid evolution of global internet content delivery towards more diverse and fluctuating network arrangements requires smart solutions that encompass this complexity and offer effective means of control. BENOCS offers the technologies to make this happen.
